

# SARKER MD. ASADUZZAMAN

PROFESSOR

DEPT. OF AGRICULTURAL EXTENSION EDUCATION  
BANGLADESH AGRICULTURAL UNIVERSITY, MYMENSINGH

PHONE

+880 1712156488

EMAIL

masarker@bau.edu.bd

ADDRESS

BAU, Mymensingh

## PROFILE

Professor with more than 20 years of teaching, research and extension experience along with planning, developing and implementing agricultural and rural development programs

## SKILLS

- Fast learner, expert in program management
- Skilled in supervising MS/PhD research
- Computer proficient
- Research design and implementation
- Report generation and analysis
- Contract/negotiation/review/drafting
- Fund hunting

## AWARDS

-  **2017**  
Best Oral Presentation Award, AGROTECH 2017
-  **2005**  
MEXT Fellowship, Japan
-  **2000**  
NST Fellowship, Bangladesh

## EDUCATION HISTORY

- 2024 : Visiting Professor** (May-July-2024) Center for Southeast Asian Studies, Kyoto University
- 2023 : Visiting Professor**, Rural Planning Lab, Graduate School of Agriculture, Kyoto University, Japan
- 2018 : Young Scientist Research Fellow** at the Institute of Agricultural Environment & Resources, Yunnan Academy of Agricultural Science, Kunming, China School of Agricultural Sciences, Tottori University, Japan
- 2007 : MS in Agriculture (Bio-resources Science)**, Faculty of Agriculture, Yamaguchi University, Japan
- 2001 : MS in Agricultural Extension Education**, Dept. of Agricultural Extension Education, Bangladesh Agricultural University, Mymensingh, Bangladesh
- 2000 : Bachelor of Science in Agriculture**, Faculty of Agriculture, Bangladesh Agricultural University, Mymensingh, Bangladesh
- 2015 : Organic Leadership Course**, IFOAM Academy, IFOAM Organics International, 2014 Germany
- 2014 : Training on Enabling and Facilitating Meaningful Learning**, Wageningen University, The Netherlands
- 2013 : Training on Curriculum Development and Teaching Methodology**, Graduate 2004 Training Institute, Bangladesh Agricultural University, Mymensingh
- 2004 : Training on Statistical Methods for Agricultural Research**, Graduate Training 2004 Institute, Bangladesh Agricultural University, Mymensingh
- 2004 : Training on Scientific Report Writing**, Graduate Training Institute, Bangladesh Agricultural University, Mymensingh

## EXPERIENCE (2003-2020)

- As major research supervisor- supervised forty five (45) MS students of Bangladesh Agricultural University (BAU) and Sylhet Agricultural University, Bangladesh. ❶
- Served as a major supervisor of eight (08) PhD students of Bangladesh Agricultural University (BAU). ❷
- Contributed as Executive Member in the National Taskforce on Organic Agriculture of Ministry of Agriculture, Government of the People's Republic of Bangladesh for developing National Organic Agriculture Policy 2016 and Developing Organic Accreditation and Certification Guidelines. ❸
- Worked as adjunct faculty at Interdisciplinary Institute for Food Security (IIFS) , BAU for offering Organic Farming course at Postgraduate level.
- Successfully led five (05) key projects which resulted in improving farmers' innovation capacity in producing organic food and building climatic resilience through video-mediated extension.
- Served as a Part-time consultant in different reputed organizations like FAO Bangladesh, Swiss-contact, G-Mark, and Bread for the World (BFW). ❹
- Lead the academic and administrative activities of the Dept. of Agricultural Extension Education, BAU (Feb 2016 to Nov 2017) as Head of the Department. ❺
- Served as Director of Bangladesh Agricultural University Extension Centre (BAUEC) from 2020-2022.

## ACTIVITIES

- Member-National Taskforce on Organic Agriculture, Ministry of Agriculture, Government of the Peoples' Republic of Bangladesh. ❶
- Life Member, General Secretary (2018-2019)and Former Joint-Secretary (2004-2005)- Bangladesh Agricultural Extension Society (BAES).
- Life Member-Seed Science Society of Bangladesh. ❷
- Life Member- Bangladesh Society of Environmental Science & Natural Resources Conservation. ❸
- Life Member and Founder Secretary-Bangladesh Society for Organic Farming and Safe Food. ❹
- Member-International Society of Organic Agriculture Research (ISO FAR).

## EXPERIENCES OTHER THAN UNIVERSITY TEACHING:

- Monitor the project on “Food Security through Enhanced Agricultural Production, Diversified Sources of Income, Value Addition and Marketing in Bangladesh (GTFS/BGD/041/ITA) funded by Italian Government and implemented by FAO, Bangladesh and Department of Agricultural Extension, Dhaka. The monitoring activity was offered by FAO, Bangladesh under agreement no. FAOBGDLOA2014-027.
- Monitor the progress (specifically of women empowerment) of the project “Food Security through Enhanced Agricultural Production, Diversified Sources of Income, Value Addition and Marketing in Bangladesh (GTFS/BGD/041/ITA) funded by Italian Government and implemented by FAO, Bangladesh and Department of Agricultural Extension, Dhaka. The monitoring activity was offered by FAO, Bangladesh under agreement No. FAOBGDLOA2015-020.
- Conduct a study on the Role of Research and Extension in the Adoption of Agricultural Management Practices in Bangladesh. The study was offered by FAO, Bangladesh under agreement no. FAOBGDLOA2015-034.
- Conduct Motivational Tour for the Members of Village Based Organization (VBO) of the project “Food Security through Enhanced Agricultural Production, Diversified Sources of Income, Value Addition and Marketing in Bangladesh (GTFS/BGD/041/ITA) funded by Italian Government and implemented by FAO, Bangladesh and Department of Agricultural Extension, Dhaka. The monitoring activity was offered by FAO, Bangladesh under agreement no. FAOBGDLOA2016-011.
- Worked as an Investigator in the Base Line Survey on Support integrated agriculture practice, establishing market linkages, access, nutrition training and related inputs for the school meal programme (LOA # 1506454).
- Worked as an Investigator in the study on Development of an Illustrated guide of major Insects and Diseases of Different crops in six Different Hotspots of Bangladesh to Manage the Impact of Surveillance Risk’ (LOA # 1506144).
- Worked as an Investigator in the study on "Common Services Activities, Technological and Environmental Interventions Requirement for Fruits (Mango, Litchi, Banana, Pineapple) SubSector". The study was offered by Palli Karma-Sahayak Foundation (PKSF) in 2020.
- Worked as an Investigator in the study on on Scope of Introducing IPM Technologies in Bangladesh. The study was offered by Swiss Contact Ltd in 2015.
- Worked as Junior Consultant in the study “Poverty and Food Security in Bangladesh”. The study was offered by Bread for the World (BFW) in 2004.

## **PUBLICATIONS**

**Contribution in Book: 03 and Journal Articles: 64 (International: 46, National: 18) Proceedings: 03**

### **Contribution in Book**

1. Ullah, M.S., Hossain, M.A., Jahan, M., Sarker, M.A. and Hamim, I. (2021). A Field Guide of major Insect Pests and Diseases of Different Crops in Bangladesh. Published Jointly by Bangladesh Agricultural University Extension Centre (BAUEC) and Supported by Food and Agriculture Organization (FAO) of the United Nations. AGRIKULTURA CRI Journal 2 (1):1-15.
